

## RESIDENTIAL ANTI-DISPLACEMENT AND RELOCATION ASSISTANCE PLAN

This Residential Anti-Displacement and Relocation Assistance Plan is prepared by the **Town of Woodland** in accordance with the Housing and Community Development Act of 1974, as amended; and HUD regulations at 24 CFR 42.325 and is applicable to our CDBG<sup>1</sup> projects.

### MINIMIZE DISPLACEMENT

Consistent with the goals and objectives of activities assisted under the Act, the **Town** will take the following steps to minimize the direct and indirect displacement of persons from their homes:

*(The steps provided below are examples only, each jurisdiction must determine the actions it will take based on local needs and priorities, select one or multiple steps or describe other steps below)*

- Coordinate code enforcement with rehabilitation and housing assistance programs.
- Evaluate housing codes and rehabilitation standards in reinvestment areas to prevent undue financial burden on established owners and tenants.
- Stage rehabilitation of apartment units to allow tenants to remain in the building/complex during and after the rehabilitation, working with empty units first.
- Arrange for facilities to house persons who must be relocated temporarily during rehabilitation.
- Adopt policies to identify and mitigate displacement resulting from intensive public investment in neighborhoods.
- Adopt policies which provide reasonable protections for tenants faced with conversion to a condominium or cooperative.
- Adopt tax assessment policies, such as deferred tax payment plans, to reduce impact of increasing property tax assessments on lower income owner-occupants or tenants in revitalizing areas.
- Establish counseling centers to provide homeowners and tenants with information on assistance available to help them remain in their neighborhood in the face of revitalization pressures.
- Where feasible, give priority to rehabilitation of housing, as opposed to demolition, to avoid displacement.

CDBG programs include: Entitlement Community Development Block Grant (CDBG) Program, State CDBG Program, CDBG Small Cities Program, Section 108 Loan Guarantee Program, CDBG Special Purpose Grants Program, and the Neighborhood Stabilization Program (NSP).

- If feasible, demolish or convert only dwelling units that are not occupied or vacant occupiable dwelling units (especially those units which are “lower-income dwelling units” (as defined in 24 CFR 42.305).
- Target only those properties deemed essential to the need or success of the project.
- Other: (*Describe*) Anti-displacement and its nuances is to be placed on the Agenda for discussion by the Mayor and Town Board
